

All Sightings

Name	Scientific Name	HO	Q C	Sighting Comments
Grebes				
Least Grebe	<i>Poliiocephalus dominicus</i>	<input type="checkbox"/>	3.00	Laguna Seca
Darters/Anhingas				
Anhinga	<i>Anhinga anhinga</i>	<input type="checkbox"/>	3.00	Laguna Seca
Hérons				
Great Blue Heron	<i>Ardea herodias</i>	<input type="checkbox"/>	3.00	
Cattle Egret	<i>Bubulcus ibis</i>	<input type="checkbox"/>	3.00	
Great Egret	<i>Casmerodius albus</i>	<input type="checkbox"/>	2.50	From plane flying in to Belize City
Little Blue Heron	<i>Egretta caerulea</i>	<input type="checkbox"/>	4.00	At least one immature bird near Laguna Seca. Either a second or the same bird seen later.
Snowy Egret	<i>Egretta thula</i>	<input type="checkbox"/>	3.00	
Green Heron	<i>Butorides virescens</i>	<input type="checkbox"/>	3.00	At Laguna Seca and flying along CC Creek
Boat-billed Heron	<i>Cochlearius cochlearius</i>	<input type="checkbox"/>	3.50	Seen during night drive and also the next night during a walk in a tree near the suspension bridge.
Pinnated Bittern	<i>Botaurus pinnatus</i>	<input type="checkbox"/>	4.50	Stunning scope filling view of the bird in the reeds near Laguna Seca pond.
New World Vultures				
Turkey Vulture	<i>Cathartes aura</i>	<input type="checkbox"/>	3.00	
Black Vulture	<i>Coragyps atratus</i>	<input type="checkbox"/>	3.00	
King Vulture	<i>Sarcoramphus papa</i>	<input type="checkbox"/>	3.50	Several excellent views, from the Escarpment and also around the lodge
Swans, Ducks				
Blue-winged Teal	<i>Anas discors</i>	<input type="checkbox"/>	2.75	Laguna Seca
Hawks, Eagles, Harriers				
Grey-headed Kite	<i>Leptodon cayanensis</i>	<input type="checkbox"/>	3.00	On the road to Laguna Seca
Swallow-tailed Kite	<i>Elanoides forficatus</i>	<input type="checkbox"/>	3.00	Flying over the cocoa plantation
Double-toothed Kite	<i>Harpagus bidentatus</i>	<input type="checkbox"/>	3.50	Carefully studied after a protracted discussion about an earlier bird we decided was a Roadie
Plumbeous Kite	<i>Ictinia plumbea</i>	<input type="checkbox"/>	3.50	Two around the lodge and at least one more elsewhere
White Hawk	<i>Leucopternis albicollis</i>	<input type="checkbox"/>	4.00	Beautiful view of an immature and two adults from the Escarpment. One more seen later.
Great Black-Hawk	<i>Buteogallus urubitinga</i>	<input type="checkbox"/>	4.50	Fantastic view of an immature by the side of the road eating a lizard.
Gray Hawk	<i>Asturina nitida</i>	<input type="checkbox"/>	3.00	Two separate sightings
Roadside Hawk	<i>Buteo magnirostris</i>	<input type="checkbox"/>	3.50	Common in the area
Black Hawk-Eagle	<i>Spizaetus tyrannus</i>	<input type="checkbox"/>	2.00	Seen from the Escarpment. ID by silhouette only.
Ornate Hawk-Eagle	<i>Spizaetus ornatus</i>	<input type="checkbox"/>	4.75	Terrific view of an immature bird screaming for a parent to come feed it. Then had an even better look tree along the river.
Falcons, Caracaras				
Bat Falcon	<i>Falco ruficularis</i>	<input type="checkbox"/>	4.00	Great looks at two birds near the Escarpment. Also heard them calling daily near the lodge.
Curassows, Guans				
Crested Guan	<i>Penelope purpurascens</i>	<input type="checkbox"/>	4.00	Had many great looks at these birds. One adult and young roosted nightly in a tree near the lodge.
Great Curassow	<i>Crax rubra</i>	<input type="checkbox"/>	4.50	Many great views, the best was a male and female who walked into the forest beside the road.
Turkeys				
Ocellated Turkey	<i>Meleagris ocellata</i>	<input type="checkbox"/>	5.00	Abundant in the area. Even witnessed copulation.
Limpkin				

Name	Scientific Name	HO	Q C	Sighting Comments
Limpkin	<i>Aramus guarauna</i>	<input type="checkbox"/>	2.00	Flying away.
Jacanas				
Northern Jacana	<i>Jacana spinosa</i>	<input type="checkbox"/>	3.50	Laguna Seca
Waders				
Lesser Yellowlegs	<i>Tringa flavipes</i>	<input type="checkbox"/>	2.50	One seen at distance near Laguna Seca
Western Sandpiper	<i>Calidris mauri</i>	<input type="checkbox"/>	2.00	Probably this species. Very far away.
Pectoral Sandpiper	<i>Calidris melanotos</i>	<input type="checkbox"/>	3.00	Seen near the Lesser Yellowlegs.
Pigeons, Doves				
Rock Dove	<i>Columba livia</i>	<input type="checkbox"/>	3.00	
Scaled Pigeon	<i>Columba speciosa</i>	<input type="checkbox"/>	3.50	Saw a pair on the first full day and a single individual on the last full day of the trip. Scaling on the bread.
Pale-vented Pigeon	<i>Columba cayennensis</i>	<input type="checkbox"/>	3.00	Saw the pale vent
Red-billed Pigeon	<i>Columba flavirostris</i>	<input type="checkbox"/>	3.50	Common
Short-billed Pigeon	<i>Columba nigrirostris</i>	<input type="checkbox"/>	4.00	Best look was at one bathing in the fountain by the lodge.
Ruddy Ground-Dove	<i>Columbina talpacoti</i>	<input type="checkbox"/>	3.00	Best look at Gallon Jug
Blue Ground-Dove	<i>Claravis pretiosa</i>	<input type="checkbox"/>	4.00	Linda and I had a marvelous look at one sitting on a branch over the river during our fruitless search for a pair. It had been the same bird later in the same general area.
White-tipped Dove	<i>Leptotila verreauxi</i>	<input type="checkbox"/>	2.00	Flying away
Grey-fronted Dove	<i>Leptotila rufaxilla</i>	<input type="checkbox"/>	3.00	Heard them calling repeatedly and saw a few.
Ruddy Quail-Dove	<i>Geotrygon montana</i>	<input type="checkbox"/>	3.00	Never more than one at a time. Three separate sightings, two in the same area.
Parrots				
Olive-throated Parakeet	<i>Aratinga nana</i>	<input type="checkbox"/>	3.00	Only aratinga in the area. Split from <i>azteca</i> .
Brown-hooded Parrot	<i>Pionopsitta haematotis</i>	<input type="checkbox"/>	3.00	Had a good look at one by the lodge
White-crowned Parrot	<i>Pionus senilis</i>	<input type="checkbox"/>	3.00	Showed the white crown to distinguish it from Brown Hooded. The head appeared dark.
Red-lored Parrot	<i>Amazona autumnalis</i>	<input type="checkbox"/>	4.00	Common in the area
Mealy Parrot	<i>Amazona farinosa</i>	<input type="checkbox"/>	3.00	Common. Seen around the lodge daily.
Anis				
Groove-billed Ani	<i>Crotophaga sulcirostris</i>	<input type="checkbox"/>	3.00	Near Gallon Jug
New World Cuckoos				
Squirrel Cuckoo	<i>Piaya cayana</i>	<input type="checkbox"/>	3.00	Along the main road. Probably two separate birds
Barn-owls				
Barn Owl	<i>Tyto alba</i>	<input type="checkbox"/>	2.50	Flying overhead during night drive
Nightjars				
Common Pauraque	<i>Nyctidromus albicollis</i>	<input type="checkbox"/>	3.00	Saw one during night drive. Many heard nightly around the lodge
Swifts				
Vaux's Swift	<i>Chaetura vauxi</i>	<input type="checkbox"/>	3.00	Flying overhead on a couple of occasions
Hummingbirds				
Band-tailed Barbthroat	<i>Threnetes ruckeri</i>	<input type="checkbox"/>	4.00	Linda and I saw this right outside our cabin as we started walking to the dining room for lunch. It conveyed a message to the field mark to distinguish it from the Little Hermit
Long-billed Hermit	<i>Phaethornis longirostris</i>	<input type="checkbox"/>	4.00	The signature bird of Chan Chich Lodge. Seen well around the lodge and also by the river. Split.
Stripe-throated Hermit	<i>Phaethornis striigularis</i>	<input type="checkbox"/>	4.00	Also common around the lodge. One bathing in a pool in the river. Split.
Scaly-breasted Hummingbird	<i>Phaeochroa cuvierii</i>	<input type="checkbox"/>	4.00	One territorial male singing by the suspension bridge and another feeding in a Provision Tree in the same area.
White-necked Jacobin	<i>Florisuga mellivora</i>	<input type="checkbox"/>	4.00	A small flock of them were working on a provision tree near the suspension bridge. They were also around the lodge.
Green-breasted Mango	<i>Anthracothorax prevostii</i>	<input type="checkbox"/>	2.00	Quick look. I think this is a database error.

Name	Scientific Name	HO	Q	C	Sighting Comments
White-bellied Emerald	<i>Agyrtria candida</i>	<input type="checkbox"/>	4.00		Common around the lodge and elsewhere
Rufous-tailed Hummingbird	<i>Amazilia tzacatl</i>	<input type="checkbox"/>	4.00		The most common hummingbird in the area.
Purple-crowned Fairy	<i>Heliothryx barroti</i>	<input type="checkbox"/>	4.50		Stunning look as one fanned its tail and dipped briefly into a pool along the river. Seen several times in
Ruby-throated Hummingbird	<i>Archilochus colubris</i>	<input type="checkbox"/>	3.00		Near cocoa plantation
Trogons, Quetzals					
Slaty-tailed Trogon	<i>Trogon massena</i>	<input type="checkbox"/>	4.00		One roosted nightly in a tree by the lodge. Saw more elsewhere in the area
Black-headed Trogon	<i>Trogon melanocephalus</i>	<input type="checkbox"/>	4.00		Seen several times.
Violaceous Trogon	<i>Trogon violaceus</i>	<input type="checkbox"/>	4.00		We missed this bird for several days, then saw them regularly.
Green, Giant Kingfishers					
Belted Kingfisher	<i>Megaceryle alcyon</i>	<input type="checkbox"/>	3.00		Flying and perched along the river.
Green Kingfisher	<i>Chloroceryle americana</i>	<input type="checkbox"/>	4.00		Flying and perched along the river.
American Pygmy-Kingfisher	<i>Chloroceryle aenea</i>	<input type="checkbox"/>	4.00		Great look at one sitting on a small stick along the river.
Motmots					
Tody Motmot	<i>Hylomanes momotula</i>	<input type="checkbox"/>	4.50		Fantastic! Gilberto located the bird after a protracted search and put his laser pointer on its tail to show very difficult bird to see.
Jacamars					
Rufous-tailed Jacamar	<i>Galbula ruficauda</i>	<input type="checkbox"/>	4.00		One cooperative pair during a stop along the road. Another single bird seen later.
Puffbirds					
White-whiskered Puffbird	<i>Malacoptila panamensis</i>	<input type="checkbox"/>	4.00		Sitting in a tree near the lodge.
Toucans					
Emerald Toucanet	<i>Aulacorhynchus prasinus</i>	<input type="checkbox"/>	4.00		One pair was right near our cabin.
Collared Araçari	<i>Pteroglossus torquatus</i>	<input type="checkbox"/>	4.00		Around the lodge and elsewhere
Keel-billed Toucan	<i>Ramphastos sulfuratus</i>	<input type="checkbox"/>	4.00		Fairly common in the area.
Woodpeckers					
Black-cheeked Woodpecker	<i>Melanerpes pucherani</i>	<input type="checkbox"/>	4.00		Seen at several locations, including a tree near the lodge.
Smoky-brown Woodpecker	<i>Veniliornis fumigatus</i>	<input type="checkbox"/>	3.00		Heard more than one, but had a good look at only one bird.
Golden-olive Woodpecker	<i>Piculus rubiginosus</i>	<input type="checkbox"/>	3.00		Seen only once
Chestnut-colored Woodpecker	<i>Celeus castaneus</i>	<input type="checkbox"/>	4.00		Separate sightings
Lineated Woodpecker	<i>Dryocopus lineatus</i>	<input type="checkbox"/>	4.00		We saw one the first day, then decided it was a female Pale Billed. Then we saw a Lineated with a pair
Pale-billed Woodpecker	<i>Campephilus guatemalensis</i>	<input type="checkbox"/>	4.00		Surprisingly common in the area. We saw a pair on the day we arrived near our cabin.
Woodcreepers					
Tawny-winged Woodcreeper	<i>Dendrocincla anabatina</i>	<input type="checkbox"/>	4.00		Saw near an ant swarm on the first day afield.
Ruddy Woodcreeper	<i>Dendrocincla homochroa</i>	<input type="checkbox"/>	4.00		Seen near an ant swarm along with the Tawny-winged.
Olivaceous Woodcreeper	<i>Sittasomus griseicapillus</i>	<input type="checkbox"/>	4.00		Saw near ant swarm and also later.
Strong-billed Woodcreeper	<i>Xiphocolaptes</i>	<input type="checkbox"/>	4.00		Fantastic bird with huge bill seen on our last full day.
Ivory-billed Woodcreeper	<i>Xiphorhynchus flavigaster</i>	<input type="checkbox"/>	4.00		Saw several well, but heard many more.
Ovenbirds					
Scaly-throated Leaf-tosser	<i>Sclerurus guatemalensis</i>	<input type="checkbox"/>	4.00		Another Gilberto specialty. He knew just where to look for this bird, which everyone saw well as it tossed
Plain Xenops	<i>Xenops minutus</i>	<input type="checkbox"/>	3.00		Saw one well on the first full day. Heard more.
Antbirds					
Dot-winged Antwren	<i>Microrhopias quixensis</i>	<input type="checkbox"/>	4.00		Great look at a male and female along the main road. Others glimpsed.

Tyrant Flycatchers

Yellow-bellied Tyrannulet	<i>Ornithion semiflavum</i>	<input type="checkbox"/>	3.50	Heard more often than seen, and then it was usually high above us. Best look was near a pool by the river.
Greenish Elaenia	<i>Myiopagis viridicata</i>	<input type="checkbox"/>	3.00	Seen by Jim and Gilberto near the pool on the river.
Yellow-bellied Elaenia	<i>Elaenia flavogaster</i>	<input type="checkbox"/>	3.00	Seen well on the last full day. Other tour members had a look earlier.
Ochre-bellied Flycatcher	<i>Mionectes oleagineus</i>	<input type="checkbox"/>	4.00	Several around the pool on the river
Eye-ringed Flatbill	<i>Rhynchocyclus brevirostris</i>	<input type="checkbox"/>	2.00	Brief look at one in the forest after missing it the day before. Linda missed this one as well.
Yellow-olive Flycatcher	<i>Tolmomyias sulphurescens</i>	<input type="checkbox"/>	3.00	Gilberto called this out repeatedly, but we got a good look only on the last full day.
Ruddy-tailed Flycatcher	<i>Terenotriccus erythrurus</i>	<input type="checkbox"/>	4.00	Another bird called by Gilberto repeatedly that we finally saw well.
Sulphur-rumped Flycatcher	<i>Myiobius sulphureipygius</i>	<input type="checkbox"/>	4.00	Mostly in the pool by the river
Tropical Pewee	<i>Contopus cinereus</i>	<input type="checkbox"/>	4.00	Got a good look at one on a fence near Gallon Jug. Hard to tell from the Eastern Wood-Pewee
Empidonax Species	<i>Empidonax</i>	<input type="checkbox"/>	3.00	Probably either an Alder or Willow by process of elimination.
Yellow-bellied Flycatcher	<i>Empidonax flaviventris</i>	<input type="checkbox"/>	4.00	Most common Empid in the area
Least Flycatcher	<i>Empidonax minimus</i>	<input type="checkbox"/>	3.00	Seen in cocoa plantation on last day.
Rufous Mourner	<i>Rhytipterna holerythra</i>	<input type="checkbox"/>	4.00	Several feeding on a tree by the river
Yucatan Flycatcher	<i>Myiarchus yucatanensis</i>	<input type="checkbox"/>	4.00	Seen only the first day
Dusky-capped Flycatcher	<i>Myiarchus tuberculifer</i>	<input type="checkbox"/>	3.00	Seen the first day. Heard other time.
Great Crested Flycatcher	<i>Myiarchus crinitus</i>	<input type="checkbox"/>	3.00	I'll take others word for this. I have a lot of trouble with these and Brown-crested unless we have a good look.
Brown-crested Flycatcher	<i>Myiarchus tyrannulus</i>	<input type="checkbox"/>	3.00	
Great Kiskadee	<i>Pitangus sulphuratus</i>	<input type="checkbox"/>	4.00	Probably multiple sightings of the same bird by the suspension bridge
Boat-billed Flycatcher	<i>Megarynchus pitangua</i>	<input type="checkbox"/>	4.00	Seen on night drive and while going to the airport
Social Flycatcher	<i>Myiozetetes similis</i>	<input type="checkbox"/>	4.00	abundant in the area
Sulphur-bellied Flycatcher	<i>Myiodynastes luteiventris</i>	<input type="checkbox"/>	4.00	Several around the lodge and elsewhere in the area
Tropical Kingbird	<i>Tyrannus melancholicus</i>	<input type="checkbox"/>	4.00	Abundant
Scissor-tailed Flycatcher	<i>Tyrannus forficatus</i>	<input type="checkbox"/>	4.00	Gallon Jug
Fork-tailed Flycatcher	<i>Tyrannus savana</i>	<input type="checkbox"/>	4.00	Gallon Jug
Eastern Kingbird	<i>Tyrannus tyrannus</i>	<input type="checkbox"/>	4.00	Sitting on fence at Gallon Jug
Cinnamon Becard	<i>Pachyramphus</i>	<input type="checkbox"/>	4.00	Seen feeding along the river and also by the suspension bridge
Rose-throated Becard	<i>Pachyramphus aglaiae</i>	<input type="checkbox"/>	3.00	One male feeding in tree by the river. Linda missed it
Masked Tityra	<i>Tityra semifasciata</i>	<input type="checkbox"/>	4.00	Always around the lodge as well as other locations
Black-crowned Tityra	<i>Tityra inquisitor</i>	<input type="checkbox"/>	4.00	Actually seen in same tree as Masked Tityras

Manakins

Thrush-like Schiffornis	<i>Schiffornis turdinus</i>	<input type="checkbox"/>	4.00	Another Gilberto special. A great look at a difficult bird
White-collared Manakin	<i>Manacus candei</i>	<input type="checkbox"/>	4.75	One male was trying to start a lek by the side of the main road. Also saw one more at a different location.
Red-capped Manakin	<i>Pipra mentalis</i>	<input type="checkbox"/>	4.75	One was frequently seen by the dining area. Lots of these around.

Swallows, Martins

Mangrove Swallow	<i>Tachycineta albilinea</i>	<input type="checkbox"/>	4.00	Gallon Jug
Purple Martin	<i>Progne subis</i>	<input type="checkbox"/>	3.00	Several locations
Barn Swallow	<i>Hirundo rustica</i>	<input type="checkbox"/>	3.00	Only seen once, on the drive from the air strip to the lodge

Wrens

House Wren	<i>Troglodytes aedon</i>	<input type="checkbox"/>	4.00	One was singing right outside our cabin
White-breasted Wood-Wren	<i>Henicorhina leucosticta</i>	<input type="checkbox"/>	4.00	One seen very well building a nest beside the main road. Heard singing everywhere

Mockingbirds

Gray Catbird	<i>Dumetella carolinensis</i>	<input type="checkbox"/>	4.00	Lots of these around
--------------	-------------------------------	--------------------------	------	----------------------

Thrushes

Name	Scientific Name	HO	Q	Sighting Comments
Clay-colored Robin	<i>Turdus grayi</i>	<input type="checkbox"/>	4.00	Mostly around the lodge
White-throated Thrush	<i>Turdus assimilis</i>	<input type="checkbox"/>	3.50	Probably two different birds feeding in a tree along the river.
Gnatcatchers				
Straight-billed Gnatwren	<i>Ramphocaenus melanurus</i>	<input type="checkbox"/>	4.50	Great look at a territorial male along the main road on two occasions. Heard others singing. Fr. Tom's j
Tropical Gnatcatcher	<i>Poliophtila plumbea</i>	<input type="checkbox"/>	4.00	Nice male
Crows, Jays, Magpies				
Brown Jay	<i>Psalorhinus morio</i>	<input type="checkbox"/>	3.00	Gallon Jug
Buntings				
Blue-black Grassquit	<i>Volatinia jacarina</i>	<input type="checkbox"/>	4.00	Several sightings. Best look was with the flock of Blue Grosbeaks and Indigo Buntings
White-collared Seedeater	<i>Sporophila torqueola</i>	<input type="checkbox"/>	4.00	Common
Rose-breasted Grosbeak	<i>Pheucticus ludovicianus</i>	<input type="checkbox"/>	4.00	Feeding in a tree by the river
Black-faced Grosbeak	<i>Caryothraustes poliogaster</i>	<input type="checkbox"/>	4.00	Feeding by the river
Black-headed Saltator	<i>Saltator atriceps</i>	<input type="checkbox"/>	2.00	Brief look
Blue Bunting	<i>Cyanocompsa parellina</i>	<input type="checkbox"/>	4.00	Great look at a male and female near the pool on the river
Blue Grosbeak	<i>Passerina caerulea</i>	<input type="checkbox"/>	4.00	Big flock on the road while going to the Escarpment
Indigo Bunting	<i>Passerina cyanea</i>	<input type="checkbox"/>	4.00	Huge flock feeding by the road on the way to the Escarpment
Grey-headed Tanager	<i>Eucometis penicillata</i>	<input type="checkbox"/>	4.00	Fairly common
Black-throated Shrike-Tanager	<i>Lanio aurantius</i>	<input type="checkbox"/>	4.00	Saw a flock of female plumaged birds before finally getting a good look at a male
Red-crowned Ant-Tanager	<i>Habia rubica</i>	<input type="checkbox"/>	4.00	Fairly common
Red-throated Ant-Tanager	<i>Habia fuscicauda</i>	<input type="checkbox"/>	4.00	Fairly common
Summer Tanager	<i>Piranga rubra</i>	<input type="checkbox"/>	4.00	Saw individuals several times, then a flock feeding in a tree near the suspension bridge
Scarlet Tanager	<i>Piranga olivacea</i>	<input type="checkbox"/>	4.00	Two separate sightings
Blue-grey Tanager	<i>Thraupis episcopus</i>	<input type="checkbox"/>	3.00	One by dining room, another seen later
Yellow-winged Tanager	<i>Thraupis abbas</i>	<input type="checkbox"/>	4.00	Fairly common
Yellow-throated Euphonia	<i>Euphonia hirundinacea</i>	<input type="checkbox"/>	4.00	A bird we've missed on other trips
Olive-backed Euphonia	<i>Euphonia gouldi</i>	<input type="checkbox"/>	4.00	A pair was common by the dining room
Golden-hooded Tanager	<i>Tangara larvata</i>	<input type="checkbox"/>	4.00	Beautiful bird. Seen best by the pool on the river
Red-legged Honeycreeper	<i>Cyanerpes cyaneus</i>	<input type="checkbox"/>	4.00	Common
New World Warblers				
Nashville Warbler	<i>Vermivora ruficapilla</i>	<input type="checkbox"/>	2.75	Seen on first day
Black-and-white Warbler	<i>Mniotilta varia</i>	<input type="checkbox"/>	4.00	Many sightings
Yellow Warbler	<i>Dendroica petechia</i>	<input type="checkbox"/>	4.00	Several separate sightings
Chestnut-sided Warbler	<i>Dendroica pensylvanica</i>	<input type="checkbox"/>	3.00	I was the last person on the tour to see this
Magnolia Warbler	<i>Dendroica magnolia</i>	<input type="checkbox"/>	4.00	Abundant, many different plumages
American Redstart	<i>Setophaga ruticilla</i>	<input type="checkbox"/>	4.00	Seen several times
Ovenbird	<i>Seiurus aurocapilla</i>	<input type="checkbox"/>	4.00	Seen on the last full day
Northern Waterthrush	<i>Seiurus noveboracensis</i>	<input type="checkbox"/>	4.00	Common in the area
Louisiana Waterthrush	<i>Seiurus motacilla</i>	<input type="checkbox"/>	4.00	Careful study at Laguna Seca
Worm-eating Warbler	<i>Helmitheros vermivorus</i>	<input type="checkbox"/>	4.00	Only one
Kentucky Warbler	<i>Oporornis formosus</i>	<input type="checkbox"/>	4.00	Several sightings
Hooded Warbler	<i>Wilsonia citrina</i>	<input type="checkbox"/>	4.00	At least a male and a female, but probably more
Golden-crowned Warbler	<i>Basileuterus culicivorus</i>	<input type="checkbox"/>	4.00	Seen on three occasions
Vireos				
White-eyed Vireo	<i>Vireo griseus</i>	<input type="checkbox"/>	4.00	Need a good look to tell from the Mangrove Vireo.

Name	Scientific Name	HO	Q	C	Sighting Comments
------	-----------------	----	---	---	-------------------

Mangrove Vireo	<i>Vireo pallens</i>	<input type="checkbox"/>	4.00		
Red-eyed Vireo	<i>Vireo olivaceus</i>	<input type="checkbox"/>	4.00		Fairly common
Tawny-crowned Greenlet	<i>Hylophilus ochraceiceps</i>	<input type="checkbox"/>	3.00		Hard to see well in the top of the trees
Lesser Greenlet	<i>Hylophilus decurtatus</i>	<input type="checkbox"/>	3.00		Another bird that is easy to see but hard to get a good look at

New World Orioles

Montezuma Oropendola	<i>Gymnostinops montezuma</i>	<input type="checkbox"/>	4.00		Abundant, especially in the trees near the lodge
Baltimore Oriole	<i>Icterus galbula</i>	<input type="checkbox"/>	4.00		Several sightings, but not nearly so common as the Orchard Orioles
Orchard Oriole	<i>Icterus spurius</i>	<input type="checkbox"/>	4.00		Abundant in the area, though it some may have left on migration by the end of the trip
Black-cowled Oriole	<i>Icterus prothemelas</i>	<input type="checkbox"/>	4.00		Saw a few individuals several times
Red-winged Blackbird	<i>Agelaius phoeniceus</i>	<input type="checkbox"/>	4.00		Surprisingly few
Great-tailed Grackle	<i>Quiscalus mexicanus</i>	<input type="checkbox"/>	4.00		Fairly common near human habitation
Giant Cowbird	<i>Molothrus oryzivorus</i>	<input type="checkbox"/>	4.00		Gallon Jug
